

Let's grow together.

Just Vertical Product Brochure

ECO Living Green Wall

Partnering together to
revolutionize indoor
growing and agriculture.

www.justvertical.com

Our Farms.

ECO Living Green Wall.

The ECO Living Green Wall takes growing produce year-round to new heights. Built to deliver optimal growth and yield, the ECO Living Green Wall marries beauty with functionality.

The ECO Living Green Wall can grow up to 88 plants at once from hundreds of different plant varieties. It can produce up to 35 lbs of fresh, sustainable, and pesticide-free produce on a monthly basis.

The ECO Living Green Wall is designed to make growing easy, and make produce the center of your space or home.

88 Grow Ports

2 BPA-free 20L Reservoir

3 LED Hanging Lights and Light Timer

1 Pump Housing Black Box

3 Submersible Pumps

1 Full Year of Seed Pods & Nutrients

Let's grow together.
